Dear Member:

In an effort to keep up with the rising costs of conducting business, the Board of Directors will institute new water rates effective with the November 15, 2019 billing. The new rates are as follows:

- 0 – 5,000 gallons--\$5.50 per thousand gallons - No change
- 5,001 – 10,000 gallons--\$5.75 per thousand gallons - No change
- 10,001 – 15,000 gallons--new rate \$8.00 per thousand gallons - Old rate was \$6.00 per thousand gallons
- At or above 15,001 gallons—new rate \$9.00 per thousand gallons – Old rate was \$6.75 per thousand gallons

The last water rate increase was June 2015.

If you have any questions please contact Robert Todd at the phone number listed above.

Sincerely,
